Floor Grates

Anping Web Wire Mesh Co.,Ltd.

Wedge Wire Screen Panels for Floor Grates

Introduction

Wedge wire floor grating are functionally important for buildings, it can removes water and wastewater buildup from pedestrians traffic areas. They can help to quickly drain water, and prevent slipping.

Wedge wire floor grating is widely used in municipal areas and industries, due to its self cleaning, aesthetic and safety. Self cleaning design keeps water, dust, mud and

slush away from the screens surface and reduces maintenance costs.
